F. No. APU/31-Notice/2023

Dated: Pasighat, 29 August 2023

NOTICE

It is being noted with grave concern that the daily attendance of students in their respective classes is extremely low. The almost empty classrooms during peak teaching learning hours are an extremely discouraging and unpleasant sight.

The students who have been admitted in the Post Graduate programmes are therefore advised to behave responsibly. Each and every student must have a minimum attendance of 75% failing which, they will not be allowed to appear in the Final Examinations. Further, all students have to appear as well as secure pass marks in the Three Internal Examinations as well, which will be conducted by the respective departments as per academic calendar.

No excuse will be admissible if a student is debarred from appearing in the final examinations due to shortage of attendance and failure in the Internal Examinations.

Hence, it is mandatory for all the students to be present in the classes regularly without fail. They are directed to contact their respective department teachers for further details regarding application for leave during illnesses, domestic obligations etc.

All Department In Charges are also directed to notify the attendance details of all students in the notice board at the end of every month.

This is for the compliance of all concerned to avoid unpleasant consequences in the near future.
